Creating a dynamic platform for experts, practitioners, policymakers, and researchers from around the globe to engage in rigorous discourse and share innovative strategies aimed at enhancing healthcare accessibility and equity.
WHO WE ARE?

Together.

The International Institute of Knowledge Management (TIIKM) is an entity that facilitates the purpose of Knowledge-driven and educationally empowered sustainable future for humankind by constructing the career of the research fraternity, empowering decision making in the corporate sector, and promoting quality decisions for policymakers through connected and integrated ground-breaking solutions.

WHY CHOOSE US?

- 13,000+ Researchers
- 1000+ Webinars/Workshops
- 450+ Partner Universities
- 390+ Conferences
- 250+ Journals
- 150+ Countries
- 100+ Scopus Publications

OUR VISION

We are facilitating the purpose of a Knowledge-driven and educationally empowered sustainable future for humankind by constructing researchers’ careers, empowering decision making in the corporate sector, and promoting quality decisions for policymakers through connected and integrated cutting-edge solutions.

OUR MISSION

“Developing a Sustainable future for humankind with our fundamental value system through Knowledge-sharing platforms, widely accessible publications, meaningful collaborations, cutting-edge technology, and other novel solutions.”

WHY CHOOSE US

Here is the reason why

WHY ATTEND ICOPH 2024?

Share
We cordially invite you to attend ICOPH 2024, which has been meticulously designed to provide a rich and dynamic platform for the exchange of ideas and knowledge.

Network
The event will offer unparalleled opportunities to participate in international networking with leading scholars, researchers, and professionals from across the globe.

Advance
In addition, attendees will have access to a series of engaging workshops led by esteemed experts, which will enable them to develop and enhance their skills in their respective fields.

Experience
Whether you choose to attend in person or virtually, our event promises to be a valuable and enriching experience.

The purpose of ICOPH 2024 is to create a dynamic platform for experts, practitioners, policymakers, and researchers from around the globe to engage in rigorous discourse and share innovative strategies aimed at enhancing healthcare accessibility and equity.

ICOPH 2024 seeks to foster multi-disciplinary collaborations and stimulate action-oriented solutions, contributing to the global effort in achieving the Sustainable Development Goals.

We are committed to shaping a healthier future, where equitable healthcare is not a privilege, but a right accessible to all.
JOIN THE MOVEMENT FOR A
ENRICHING FEATURES

Actions You Can Take

01 • Research Presentations
Opportunity to present latest research findings

02 • Knowledge Dissemination
Share and distribute new knowledge, trends, and best practices in specific academic fields, promoting continuous learning and growth.

03 • Networking
Offer opportunities for academics, scholars, industry and policy makers to connect, facilitating potential collaborations, partnerships, and knowledge exchange.

04 • Interdisciplinary (research) Collaboration
Encourage discussions and collaborations between various disciplines, leading to more comprehensive and holistic research approaches.

05 • Industry and policy makers Collaboration
(ICOPH 2024) presents a unique opportunity to bridge the gap between industry professionals and policy makers, fostering a collaborative environment that can lead to significant advancements in public health.

06 • Cultural and Geographical presence/Exchange
As these are international events, they promote a cross-cultural and cross-geographical understanding of research topics, accounting for global diversity.
JOIN THE MOVEMENT FOR A
ENRICHING FEATURES

Actions You Can Take

07 • Professional Development:
Organize workshops, training sessions, or panels that help attendees enhance their academic skills, research knowledge, or teaching practices.

08 • Publication Opportunities/developments
With the aim of locating your research to the right destination, International Conference on Public Health (ICOPH 2024) has amplified its publication opportunities by partnering with TIIKM Publishing.

09 • Raise Awareness
Highlight pressing issues, challenges, or emerging trends in a particular academic field, drawing global attention to them.

10 • Recognition
Honor significant contributions or breakthroughs in the academic field through awards and honors.

11 • Fostering Global Academic Community
Strengthen the bonds of the global academic community, reinforcing the idea of collaborative progress and shared knowledge.

12 • Peer Review and Feedback for abstract, presentations and full papers
Provide a platform for researchers to receive constructive feedback from fellow experts and peers, enhancing the quality of their work.

The International Institute of Knowledge Management (TIICKM) consistently provides the best possible facilities for conference attendees. The upcoming conference will be hosted at the **Ambassador Hotel in Bangkok, Thailand. This 4-star hotel**, situated in the vibrant heart of Bangkok, is renowned throughout Thailand. Conveniently located, the hotel is only an hour’s drive from Suvarnabhumi Airport and a mere 100 meters from the Nana BTS Skytrain Station. Additionally, it is less than 2 kilometers from the Queen Sirikit National Convention Centre.

Since the Ambassador Hotel Bangkok is the official venue of the conference, you can take advantage of a special discounted room rate during the conference. For More details contact our Destination Expert Mr. Emmanuel Fernando anytime.

You can now easily reserve a room at Hotel Ambassador for the duration of the conference. Globeenjoy, the **conference’s official tour**, and **accommodation partner** will assist you in making this more comfortable.
